

LEADINGEDGE

FELLOWS RETREAT

AUGUST 25-27 2024

COLDSPRINGHARBORLAB

Support
diversity
in science!

Meet new Principal Investigators
who need equipment and services

Above: Attendees of the Leading Edge Symposium for the 2023 Fellows cohort at the Janelia Research Campus

Connect with up-and coming leaders in the biomedical sciences

72 of the 166 Fellows have obtained tenure-track faculty appointments, and many are actively on the job market

Nearly 200 Fellows will be eligible to attend this event

Your support enables more fellows to attend and strengthen scientific and professional connections that promote career success

Join us as a Vendor!

Vendor Table Crawl Event: Vendor sheets with space for your logo, contact info, and a message will be distributed to attendees. Attendees who visit every vendor table and receive a stamp are entered into a raffle. All support tiers above Table Display include a table display with a company representative.
