To whom it may concern:

This letter is submitted in support of the visa application of **Dr. Enga Shokry**, currently Senior Scientific Officer in the Metabolomics Technology Group at the Beatson Institute in Glasgow, to travel to the U.S. to serve as Teaching Assistant in the advanced Metabolomics course offered by Cold Spring Harbor Laboratory in New York.

Cold Spring Harbor Laboratory, New York, is an independent research laboratory and educational center in biological, biomedical, cancer and plant science research based on Long Island, New York. The Laboratory has a staff of 300 research scientists, postdoctoral fellows, visiting scientists and graduate students from more than 15 countries.

Please note that Dr. Shokry is anticipated to travel to the United States around the dates of the course, **June 11 – 26, 2022**. She will be provided with housing and food on the Cold Spring Harbor Laboratory campus throughout her stay.

Please assist us in every way for this individual to travel to the United States. Please contact my office if you have any questions.

Yours sincerely,

David J. Stewart
