

Shuttles

Cold Spring Harbor Laboratory operates a complimentary shuttle running between the main CSHL campus and the Syosset Long Island Railroad station.

On scheduled meeting *arrival* days, the CSHL shuttle will run between Syosset LIRR and Grace Auditorium continuously from 1pm-8pm. Shuttle vans will pick up and drop off on the north side of the station at the bottom of the track overpass.

Please download the new CSHL Shuttle app  which can be found in the app store on your mobile device (access code CSH2355). On meeting arrival day, you will be able to monitor the location of the drivers via the Grace <> LIRR map.

On scheduled meeting *departure* days, the CSHL shuttle will run to the Syosset train station continuously from 10:00am-2:00pm, and will follow the hourly LIRR train schedule.

****The CSHL Shuttle does not provide service between CSHL and off-site hotels****
